Who am I?

Curiosity and **dedication** are the qualities that best define me professionally. The first drives me to **learn** something new every day, enriching my skills; the second allows me to carry out projects with **commitment** and consistency. **Growth** and **openness** to constructive criticism are daily constants for me, valuable both professionally and personally.

Softwares I use

Adobe Illustrator, InDesign, Photoshop, After Effects, Figma, Apple Final Cut Pro
